What is PSCTM?

The *Puget Sound Council of Teachers of Mathematics* was founded by math educators to encourage continual professional growth among local mathematics teachers.

The organization sponsors three major events during the year: a fall, a winter, and a spring dinner. Dinner presentations strive to provide inspiring and innovative ideas and activities grades K-12.

What are the benefits of joining PSCTM?

- Reduced rate at the NW Math Conference in October of each year.
- PSCTM Newsletter.
- Opportunities to share ideas, network, and socialize with other dedicated mathematics teachers.
- Notification of all gatherings and a reduced rate for dinners.
- Eldon Egbers Northwest Conference Scholarship eligibility.
- Three opportunities per year to win \$100 Penewell door prize!
- Incredible speakers to invigorate your teaching and deepen your mathematical understanding.
